

RECRUITING FOR ORIENTEED SPAIN

Front-end Vue Developer (Full Remote)

## Front-end Vue Developer (Full Remote)

### DESCRIPTION

We are experts in e-commerce who work at an international level and guide the brands towards their digital transformation, incorporating innovative technologies of leading platforms in the market.

We are looking for a Vue Developer with background in UX/UI design, to join our team and commit to the technical development of e-commerce projects. One of the projects you will be involved in is an international e-commerce of the luxury retail fashion sector for a multinational company.

#### MAIN TASKS:

- Development and integration of components and services
- Compilation of information and analysis of the projects to be developed, including requirements gathering and projects kick-off
- Tests development for the established components
- Development of documentation
- To solve incidences, petitions and queries
- To estimate and inform about the required effort to the other members of the team and the Project Manager
- To adhere to the quality and organization control standards of Orienteed and our clients

## Front-end Vue Developer (Full Remote)

### MAIN REQUIREMENTS

#### Essential:

- ★ At least 3 years of experience as a Vue Developer
- ★ Professional experience in UX/UI Design
- ★ Technical knowledge and experience in Nuxt
- ★ English: high level

#### Desirable:

- ★ Experience with Adobe Experience Manager
- ★ Experience in the e-commerce sector
- ★ Italian medium/high level

## Front-end Vue Developer (Full Remote)

### WHAT WE OFFER

- Integral, technical training in leading e-commerce platforms in the market
- Technical certifications paid by the company
- Flexible working hours
- Total or partial remote work, according to your needs
- Flexible Payment Plan which includes: medical care, meal pass, transport voucher and nursery voucher
- Team Building events
- Full time
- Immediate incorporation
- Permanent contract
- Excellent work environment
- If you are willing to work from the office part of your time: large and comfortable space with sea views, in the centre of Coruña
